It's a French name that means bishop? Cultural slang tone-onics pronunciation. Miss Tuznic has similar Romanian spellings.

- Nov 8, 2017 The Honorable Judge let  
me leave after 13 months held without

murder - I managed to have 64

people murdered because of what they  
did. Literally because they threatened

1-18-2021 Mr. Bamberg was placed into  
The Zoo Bubble from the other  
unit by Yo Weatherby.

He went straight to my cell door  
wanting to call Courtney - his niece  
with my credit/debit card information  
as I was skeptical before, she  
did (not) retain the information so I  
could call and ask over + over with  
a 30 (sec) free call weekly.

→ Another usery type thing. I simply  
told him I canceled the card  
and had a new one sent and I  
don't have the #s.

Then I thought About Colchester  
Vermont, As I don't listen to  
loud music. The Televisions Blasting  
and other detainees talk The  
sounds wait + thru the Air some  
would think they hear voices - Because  
they do.

→ Property I was led to believe  
was mine, was stolen.

Down The Street from the  
Methodist church I was abducted from  
in 1974 by Plattsburgh CUPH Hospital  
A house was occupied that's in my name.  
I got a deed and went there only  
to be chased off - same with  
an 374 in mem. I do not know people

How down street from Methodist church they were taking my horse without my consent?

The Triple Standard?

I went out to the Podium for my Breakfast tray. They have been hazing me and bringing it to the doors for days on end refusing to give me a shower.

The officer let others have 2- oranges and wouldn't let me.

Praying I am being treated different and since I received notice of hearing today by fat 40 who was here the other day looking out my door.

It's possible that his kidnapping Abduction of Oct 27<sup>th</sup> conspiracy with (Sgt) overlapped to the other day as 2 of 4 tickets over refusing to wear a mask or be Badgered or Heckled over wearing a sail mask.

There is 2 more tomorrow so did they ignore the other 2, were they submitted.

They want even give me photo cpy's of my grievances nor will they respond to me sick call slips in writing, this dizzy its breakfast time and I'm about to pass out from the

1-18-2021 <sup>9am</sup> I confronted this low weatherby

- over the grievance about a prescription meal. last week someone had a special diet tray

mine is a Bernthorst well-being dietary supplement additive due to the facility standard.

In the past I was given the Food and Drug Administration Approved medication type preventative to starve off waste(in) syndrome like Austonitz Poland 1939, as they succumbed to decanturization of parasites and microbes. History books lie about the Marine bus was to help them instead miscreants like Mr. Weatherby

Just now were stealing their belongings instead of cleaning up microbes and (live type) parasitic leeches from South America. Clinton County New York last year had me on a special Additive at Breakfast

Those two officers and (LT) Coxnolly conspired to deceive me with nurses and doctors.

Coincidentally: The Veterans Administration

Fired 500 doctors + Nurses and put you on probation so 3-service members could get a fucking Asperm to protect
